

2021-12-09 Minutes

Attending: Stefano A., Didier F-B, Francesca P., Petr S.

Apologies:

Agenda:

- webpage
- newsletter
- pedagogic activities
- AOB

Webpages (Didier)

https://www.iau.org/science/scientific_bodies/commissions/B3/
https://www.iau.org/science/scientific_bodies/commissions/B3/info/

Will be updated with links in two weeks. Any additional suggestions for the tab “Useful resources’ will be appreciated.

Action for all: find an image passing the idea of astrostatistics and astroinformatics.
Possibility: open a competition, open to all members, for preparing an image that passes this idea, merging astronomy, statistics and data science (as already done for IAA). It may be a static image or anything more complex.
