- * Institute for Nuclear Theory Programs and Workshops

The INT invite proposals for INT programs for 2021 and/or workshops for 2020. Proposals must be submitted by June 30, 2019 so that they can be considered by the INT's National Advisory Committee in July. Information on how to submit proposals is found at

<https://sites.google.com/uw.edu/int/programs/information-for-organizers>

For a list of recent and future INT programs that have already been scheduled, see:

<https://sites.google.com/uw.edu/int/programs>

<https://sites.google.com/uw.edu/int/programs/past-programs-workshops>

If your proposal is selected the INT have excellent staff to take care of the business end of the organization of programs, so that the organizers can focus on the scientific agenda.
