*Results of Division D elections

The results of the IAU 2021 elections, to determine the composition fo the new Division Steering committees and Commission Organizing Committees for the next 3 years, are now known.

<https://www.iau.org/news/announcements/detail/ann21041/>

For Division D, former Division Steering Committee member Matthew Baring (USA) will become the new Division Vice-President. The newly-elected Division Steering Committee members will be Andreja Gomboc (Slovenia), Nanda Rea (Spain) and Gustavo Esteban Romero (Argentina). Peter Shawhan (USA) is the newly-elected President of Commission D1. Congratulations to all of them!

There will be messages from the outgoing and incoming Division Presidents in the August newsletter.

*Upcoming Conferences, Meetings, Workshops

New Directions in Neutrino Flavor Evolution in Astrophysical Systems
September 21-24, 2021
INT (Online)
