\* Nominations for the 2022 R.A. Isaacson Award in Gravitational Wave Science

Please consider submitting a nomination for the American Physical Society's 2022 Richard A. Isaacson Award in Gravitational-Wave Science. This award recognizes outstanding contributions in gravitational-wave physics, gravitational-wave astrophysics, and the technologies that enable this science. Any scientist or engineer who has made outstanding contributions in gravitational-wave science is eligible. Note that there are also no restrictions on who may submit a nomination. The deadline for nominations is 1 June 2021. For more details about the award and instructions for how to nominate, see <https://www.aps.org/programs/honors/prizes/isaacson.cfm> .
