- **Subject:** IAU 2022 General Assembly: Division J Meeting program for Busan

Dear Division J colleague,

We hope you will join us for the IAU 2022 General Assembly in Busan, Korea.

We have secured an engaging program of confirmed speakers for our Division Days (05 & 08 August):

Frances Cashman (USA) – Interstellar Medium  
Johan Comparat (Germany) – Emission-Line Galaxies, eROSITA  
Xiaohui Fan (USA) – Super-Massive Black Holes, Quasars  
James Jee (Korea) – Gravitational Lensing, Large Scale Structure  
Brenda Namumba (South Africa) – HI gas  
Sree Oh (Australia) – Galaxy Kinematics  
Division J PhD Prize Winners (2018, 2019, 2020)  
Denis Burgarella (France) – Past Div J President  
Kim-Vy Tran (Australia) – Current Div J President  
Cristina Popescu (UK) – Current Div J Vice-President

Please note the Early-Bird registration deadline is 28 March (Korea Standard Time). Contributed talks for the Division J Meeting will be selected from submitted registrations.
